*Individuals attending meetings of the DUR Commission shall have an opportunity to address the Commission. This opportunity will be granted once during the open portion of the meeting. In order to accommodate all interested parties, all speakers are requested to limit their comments to **5 minutes or less**. If you represent a drug manufacturer as an employee, as a contractor, as a member of the manufacturer's Speaker Bureau, or by any other means, we expect you to cover your individual product or entire product line in that five-minute time frame. Speakers who represent multiple manufacturers will share their 5 minutes with the other manufacturer representative(s) whose product they are speaking on. Any individual speaking, presenting, or providing written comment must register and complete a conflict-of-interest disclosure. Registration and completed forms must be provided to DUR staff at least one week prior to the scheduled meeting at pba_iadur@optum.com. Failure to register and submit a complete conflict-of-interest disclosure form by the specified date and time will result in a delay in your comments being considered until the next scheduled meeting.
